WHERE IT ALL STARTED

White Chateau is an exclusive wedding venue house on Cecil Farms, a working family farm owned and operated by Gary & Imelda Cecil, along with their children, Ryan, Suzanne, and Katie... not to mention lots of extended family! For over 40 years, Cecil Farms has produced some of Kentucky's highest-quality fruits and vegetables, providing delicious and nutritious food for major grocery chains, local farmers markets, and family food co-ops. White Chateau is an expansion of the farm, established by Suzanne Cecil White and her husband, Mack as a way to bring the beauty of the outside world, not just to your table, but to the wedding of your dreams.
